Sub: Establishment - Sri P.Seshappa Gowda, Lower Division Clerk - probationer Office of the District Agricultural Officer, Mangalore grant of leave in excess regulation of - request.

Ref: My letter No.V2.3095/50 dated 27-6-1951.
2.Memo No.48785-L-51-1 dated 19-7-1951 of Government Food and Agriculture Department.

With reference to the second of the references, the District Agricultural Officer, Mangalore reports that Sri P.Seshappa Gowda, Lower Division Clerk, probationer of his office got an attack of small pox and consequently he had to go on leave from 14-8-1950 to 30-9-1950. On the termination of the period, he applied for extension of leave for reasons of the infection of small pox to other members of his family which resulted in death of one of his sisters and due to some other mishaps such as fire accident of his house which caused loss and mental worry. In the month of November 1950, he applied for further extension of leave on medical grounds, supported by medical certificate and ultimately returned to duty on the afternoon of 12-3-1951 after producing certificate of fitness granted by District Medical Officer.

2. The District Agricultural Officer, states that his absence from duty from 14-8-1950 to 18-10-1950 has been treated as leave as indicated below and requests that the period from 19-10-1950 to 12-3-1951 (4 months and 25 days) may also be treated under extraordinary leave as a special case as he was fully satisfied that his absence from duty during the period was due to unavoidable reasons as explained above:-

14-8-50 to 18-8-1950	:-	5 days	Earned Leave
19-8-50 to 18-10-1950	:-	2 Months	Extraordinary Leave
19-10-50 to 12-3-1951	:-	To be	~~resulted~~ regulated.

3. The clerk is a service Commission candidate appointed on 29-3-1950 under Emergency Provisions. He was placed on probation from 9-7-1950 as Lower Division Clerk. As per Rule 20(1) and 22(a)(ii) of M.L.R.1933 the clerk is entitled to earned leave of 1/28 period spent on duty and extraordinary leave upto a maximum period of 2 months at any one time. In view of the unavoidable circumstances in which the clerk was forced to go on leave. I agree with the District Agricultural Officer, Mangalore and request that the Government may be pleased to relax the relevant rules to enable the District Agricultural Officer to treat the period of absence of the clerk from 19-10-1950 to 12-3-1951 under Extraordinary Leave.

Note For Circulation.

The case relates to the regulation of the grant of leave in excess of that permissible under the rules to Sri P. Seshappa Gowda, L.D.C., Office of the D.A.O., Mangalore.

Sri P. Seshappa Gowda, L.D.C., Office of the D.A.O., Mangalore, was granted leave from 14-8-50 to 30-9-50 as he had an attack of small pox. He extended the period of his leave on account of infection of small pox, to other members of his family and for other reasons such as fire accident. He further extended his leave in the month of November 1950 on M.C. and joined duty on 12-3-51 afternoon.

nal of plc

The District Agricultural Officer, Mangalore, has stated that the period from 14-8-50 to 18-10-50 has been treated as leave as per details indicated at 'A' on page 1 c.f. and has requested that extraordinary leave may be granted for the period from 19-10-50 to 12-3-51 as a special case.

para 2 on p14

In this connection, it is submitted that as per Rule 20(i) and 22(a)ii of M.L.R., of 1933 the clerk is entitled to earned leave of 1/22 of the period spent on duty and extraordinary leave upto a maximum period of 2 months at any one time. Finance have stated in another connection that the intention of rule 23(a)ii of M.L.R. 1933 in fixing the period of two months as the maximum period of extraordinary leave which a non-permanent Government Servant in superior service is eligible is to restrict the tendency on the part of non-permanent Government servants from absenting themselves from duty for frivolous reasons and having at the same time a claim over a post in a Government Department.

In this case, the D.A., agrees with the D.A.O., Bangalore and recommends that the relevant rules may be relaxed in his favour. This Department propose to accept the D.A's recommendation to treat the period of absence from 19.10.50 to 12.3.51 as extraordinary leave. Pub. (Ser) and Fin. have agreed to the proposal. This may now be circulated to C.S., H.M. (Agri) and H.C.M. for orders whether rule 23(a)ii of M.L.R. may be relaxed in his favour and extraordinary leave without allowances from 19.10.50 to 12.3.51 may be granted to the candidate, Sri. P.
